# Convenors' message

Dear delegate,

It is with great pleasure that we welcome you to the 2nd Asia Pacific Humanitarian Leadership Conference in Melbourne.

We have put together a practical and thought provoking program designed for Humanitarians, aid professionals and interested people from the Asia Pacific and around the world. This is an opportunity for key players in the sector to share analysis, experiences, best practice and information on emerging and continuing issues.

Over three days of plenary, panel and breakout sessions, the program includes over 25 separate sessions where delegates will hear from over 60 international and national speakers, who have travelled from over 15 different countries to be here.

We encourage you to engage with our presenters, as they share their knowledge and engage in debate on relevant, novel and insightful topics, issues and experiences.

Throughout the conference, there will also be many networking opportunities including the two official conference functions: an informal Welcome Reception on Wednesday evening and the Conference Dinner that will be held under the iconic spire of the Arts Centre Melbourne.

We would like to thank the **IKEA Foundation** and the **Department of Foreign Affairs and Trade** for their support for the conference.

We wish you an excellent conference experience.

Yours sincerely,

**Associate Professor Phil Connors**  
CHL Director & Conference Co-Convenor
